MYSORE P W DEPARTMENT

CENTRAL OFFICE,

Bangalore 13th **December** *1916.*

REV SEC'T
IV
16 DEC 1916

From **KARPUR SHRINIVASRAO, ESQ, B SC, L.C.E.,**

Chief Engineer of Mysore,

Bangalore

To

L. Krishna Row, Esq.,

Offg. Secretary to Government, Revenue Department,

Bangalore.

Sir,

With reference to G.O.No.3763-5/M1.163-14-22 dated the 23rd November 1915, I have the honour to submit herewith detailed plans and estimates amounting to Rs.1,43,800/- for the construction of the Municipal Office Building in the Mysore City.

2. In para 2 of the Proceedings quoted above, the Government, in approving of the general design then submitted, ordered that the cost should be reduced to Rs.1,30,000/- from Rs.1,60,000/-, the estimated cost as per design submitted.

3. As it was not possible to reduce the cost by any means, except by modifying the design so as to reduce the plinth area, the design has been slightly altered and detailed estimates prepared. The report of the Assistant Engineer, Headquarters Range, accompanying the plans explains all details.

4. Though the design is altered to suit the minimum accomodation required, still on account of the high price of iron and other materials, and the general increase in wages of all kind of labour, it has not been possible to reduce the cost to less than Rs.1.43,800, though the limit prescribed by Government

Rs.1,30,000/-.

5. There is a provision of Rs.65,400/- for this work in the Budget of the Trust Board for 1916-17, and the favour of early sanction of Government to the estimate is solicited.

I have the honour to be,

S i r,

Your most obedient servant

H.R.L.

for Chief Engineer of Mysore.
